My dear Capt. Stich:

I do appreciate the kind remarks contained in your letter of 30 July 1951. The two sessions of the First Air Force at Floyd Bennett Field were most interesting and challenging experiences.

I have been authorized to comply with your request to address the 9067th VART Group on the night of October 4th at your headquarters, 67 Broad Street, New York City. We can work out the details at a later date.

In all probability I will fly to New York October 4th, returning to Washington the next morning.

Very cordially yours,
